SPECIAL EDITION 2017

**HÄSTENS TRIBUTE**

EXCLUSIVELY AVAILABLE SEPTEMBER 1<sup>ST</sup> – DECEMBER 31<sup>ST</sup>, 2017

This year Hästens celebrates 165 years since its foundation—the perfect occasion to honour our roots. And there’s no better way to mark this landmark than by releasing a Limited Edition bed that shows our craft in all its glory in a colourway that appeals to all.

To source this very special Special Edition, one to celebrate 165 years of bed making heritage and innovations, we looked at the classics. The foundations of design, and the colour which has become synonymous with style; taupe.

Hästens Tribute is a Special Edition designed in a beautiful, contemporary taupe check which can be neutral but also more design-led in its styling potential. As a colour, taupe is a staple of the design world, one of the most versatile tones in modern interiors. And it offers almost limitless opportunities to work with modern or classic influences.

Hästens Tribute, is of course made entirely by hand in the Hästens atelier in Sweden, by our team of craftsmen who practise the traditional techniques we’ve used for 165 years to give you a perfect natural sleep.

#### THE SIGNATURE OF SLEEP

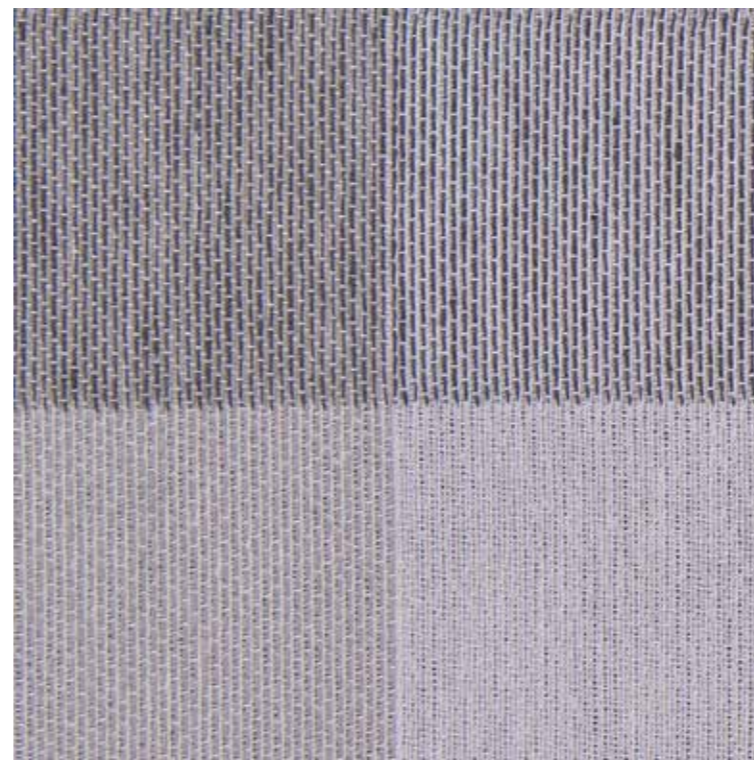

Our skilled craftsmen have been refining their work for generations to create the ultimate sleeping conditions. Only the best natural materials provide the most restful sleep. This is why our beds are made with ventilating horsehair, temperature-regulating wool and soft cotton.

A Hästens is a bed unlike any other, a sleep you’ll long for. An investment for your body, your soul and your life.

#### HÄSTENS TRIBUTE

Only available from September 1st to December 31st 2017, this is your chance to own a very special Hästens edition.

During this time, you can also order bed skirts in taupe check.

#### A LASTING TRIBUTE

Made from 100% cotton in a jacquard weave, Hästens has created a unique new taupe check, with a texture that comes alive under the light and in the hand.

Taupe check is a nuanced colourway, easy to style and blend with any bedroom setting. Gentle, tonal greys and off-whites with variations in warp and weft. Another unique Hästens classic.
